\* By mutual agreement between Group Leaders, one of the Alliance Grouping seats on Area Planning West will be taken up by the IMPACT Alliance

Figures in brackets show the original calculated proportionality seats. Due to rounding, this results in an over-allocation for the Conservative Group of 2 seats and an under-allocation of 2 seats for the IMPACT Alliance Group. Figures in bold indicate where committee seats have been manually adjusted with the agreement of Group Leaders in order to arrive at the correct committee seat entitlements for Groups overall.

#### Final allocation of seats on other committees and outside bodies

Committee	Size	Conservative	Alliance Grouping	IMPACT Alliance
Buckinghamshire & Milton Keynes Fire Authority	12	9	2	1
BOB (Buckinghamshire, Oxfordshire and Berkshire West) Joint Health Scrutiny and Overview Committee	6	5	1	<b>0</b> (1)
Chilterns Conservation Board	5	4	1	0

Figures in brackets show the original calculated proportionality seats. The proportionality calculations result in an over-allocation of one seat to the BOB Joint Health Scrutiny and Overview Committee – in this case, the most marginal (IMPACT Alliance) seat is lost.
