### **1. Executive summary**

- 1.1 The report is comprised of the following two items:
- 1.2
  - 1) The performance report, which provides details of the key performance measures reported through the corporate performance framework for 2022/23. Latest performance outturns and targets are reported alongside trend and benchmarking information, where available. The report also includes several indicators without targets for this year, which are being monitored to establish a baseline level of performance and monitor trends. Commentary is provided for each indicator explaining what is being measured, explaining the narrative behind each outturn and detailing improvement actions.

1.4 At the end of Quarter 2, 92 indicators had outturns reported with a Red, Amber or Green status. Of these, 62 are Green (67%), 12 are Amber (13%) and 18 are Red (20%).
