

Iver/Stoke Poges/George Green

Neighbourhood Team

Your neighbourhood team consists of

Sergeant 5731 Dan RYDER

PCSO 6801 Roy FISHER

PCSO 9853 Eloise WARING

Neighbourhood Priorities

The priorities for your Neighbourhood Policing Team (NHPT) will be decided by the Policing Issues Panel; comprised of representatives from Community Boards from the whole of South Buckinghamshire. The Police do not run the panel, although we do attend as representatives. This allows us to speak to a wide cross-section of the community, find out what you most want improved in the area and consider how we and others can accomplish these aims. The top three priorities are chosen by the forum every three months and are then assumed by your Neighbourhood Policing Team. If you wish to learn more please use the following hyperlink: [Chiltern & South Bucks Policing Issues Forum – Community and Neighbourhood Police stronger together \(csb-forum.org\)](https://www.csb-forum.org)

Priority – Burglary

We have seen a further reduction in burglaries from 12 to 7 so far this year which is a slight decrease from last quarter.

To continue to combat this we have been carrying out proactive operations which specifically floods rural and cross border areas of the LPA with proactive patrols during peak offending times. This has helped us to detect crime and apprehend cross border offenders who use arterial routes to enter our policing area and to protect residents living within South Buckinghamshire.

Please remember these tips to reduce the risk of becoming a victim of burglary especially as the nights are now drawing in

- Cut back your shrubs and hedges to aid visibility
- Set timer switches to turn your lights on when away
- Avoid leaving valuables in plain view e.g. laptops and tablets
- Set any house alarms
- Lock side gates to prevent access to the rear of your property
- Keep any tools and ladders stored safely away in a locked garage
- Don't advertise that you are away and that your home is empty, by 'checking in' or posting your holiday snaps on social media

- Resist uploading any holiday pictures to social media until you have returned home
- Don't leave windows open at the front of your property when you are in the garden

Take a look at Thames Valley Police Website for further crime prevention advice or contact your local Neighbourhood Team.

Priority – Anti-Social Behaviour

We have not seen an appreciable level of anti-social behaviour this quarter and we believe that the higher visibility process that we adopted last year is proving to be effective.

Recently, our attention has been directed towards the recreation grounds in Iver, Iver Heath and Stoke Poges as these areas seem to be attracting undesirable elements. You can help us by reporting issues to us on web forms, or via 101.

Priority – Speeding

This quarter our roads policing spent 17 hours during June and identified 340 offences across South Bucks and the fixed cameras have identified 55 offenders. During July they spent 22 hours conducting speed enforcement and identified 250 offences and the fixed camera caught 250 offenders.

In July Neighbourhood attended the following location to carry out speed enforcement. Langley Park Road where two vehicles were identified driving at a speed of 42 MPH and were reported.

North Park, Iver where one vehicle was issued a warning

Church Road, Iver one vehicle was stopped for exceeding the limit and reported.

Other News

Sadly this quarter we said goodbye to PC Dan Mcbroom who has now gone to work for the Metropolitan Police, we would like to wish Dan all the best as he progresses his career. We are soon to be joined by PC Dan Brown who is joining Neighbourhood from response.

During this quarter the team have been carrying out park sweeps with the Community Safety team and conducting talks at schools to raise awareness around Knife Crime.

During June the NH teams have been working closely with Immigration visiting various car washes around the area promoting the Responsible Car Wash Scheme. To level the playing field for operators enabling them to compete on an equal footing with their competitors

- To educate operators on the regulations that apply and to ensure that they comply with them
- To be a positive force in improving conditions for workers; upholding their statutory rights and protecting them from exploitative work practices
- To protect the environment and the consumer
-

This has resulted in several locations being identified as employing illegal workers and further work to be carried out by Immigration officers. If you have any concerns there is a safer car wash app that you can download to your smartphone where you can complete a short survey with your concerns

Following reports of a Suspicious Male hanging around a local school. The NHPT conducted patrols which led to them locating and identifying the male. The Team completed significant enquiries and actions that has now reduced any risk identified

Offenders Brought to Justice

A male has been cautioned for assault with injury

Two males have received a community resolution for public order offences

A male has received a caution for criminal damage

A male has received a community resolution for possession of an offensive weapon

Two males have received a community resolution for criminal damage offences

One male has been arrested and charged for assault on police

Have Your Say Events

We have now started our Have Your Say events again so please keep an eye on our social media where we will advertise where we will be.

In addition to overcome gatherings we have identified areas for us to be present, visible and whilst completing our never-ending paperwork. We want the areas to be key points in each community where people are able to see us safely, varying times throughout the month and locations. Due to various reasons, on demand, operational commitments and to prevent large gatherings we will not be publishing times and dates. However we wish to make the community aware of these locations and if you see a Police vehicle or officer at these locations, we are there for you to speak to us, please come and say hello and help us identify any concerns you have or any information, you may feel will assist us.
