

WING AND IINGHOE UPDATES

Our Facebook page is now back up and running.

Yes you heard it. We are back on social media. This has taken a long time but we have managed to prove that the Community Board is not a robot. Hopefully this will not be an issue we see again. If you have any news or interesting information that you would like to share on the page, please send to wingandivinghoecb@buckinghamshire.gov.uk and we will do our best to post it onto our feeds. Please give us a follow: [Wing and Ivinghoe Facebook](#).

Wing and Ivinghoe Community Board

Published by Katrina Holyoake · October 28 ·

It took a long time but we got there. It has finally been proven that there are no robots running this page!

It now means we can get on with letting you know what the community board and partners have been up to. Please keep an eye out for us as we gain some traction to avoid another malfunction!

For more info on Community Boards visit: <https://www.buckinghamshire.gov.uk/.../improving-your.../>

AUTUMN FAIR

Mentmore were finally, following cancellation of their annual summer fair, able to host an Autumn Fair. Over £2500 was raised and shared between local charities. If any

parishes/villages/local groups are having fairs and events let us know and we can share dates on our social media.

WING RECREATION GROUND.

Check out this [link](#), demonstrating the work that is taking place on the recreation ground in Wing. After a long time in the planning, work is now happening on the ground. We cannot wait to see this project completed. Well done to all involved for making it happen.

WELCOMING SPACES

Slapton and Wingrave are both successfully running warm spaces in their parishes. We are sure that if any other areas would like to consider this, that they would be able to offer advice and support as to how they are working. There are grants available for this type of work and in Buckinghamshire, we have the Helping Hands team.

<https://www.buckinghamshire.gov.uk/cost-of-living/contact-helping-hand/>

Other areas that can help include supermarket community grants and heart of bucks may be able to offer further support along with Community Impact Bucks and Clare Foundation for project that may need some expertise when understanding what it is they want to and can offer.

PROJECT OUTCOMES.

If you have completed any projects, which you would like the Community Board Manager and Members to come and visit, please contact us. We would be delighted to see it and understand how it is benefitting our local area.
