Neighbourhood Priorities

The priorities for your Neighbourhood Policing Team (NHPT) will be decided by the Policing Issues Panel; comprised of representatives from Community Boards from across South Buckinghamshire policing area. The Police do not run the panel, although we do attend as representatives. This allows us to speak to a wide cross-section of the community, find out what you most want improved in the area and consider how we and others can accomplish these aims. The top three priorities are chosen by the forum every three months and are then assumed by your Neighbourhood Policing Team. Priority – Serious Acquisitive Crimes

This quarter we have again seen an increase in burglaries from 2 to 9, the Neighbourhood team have increased patrols around Maude Road, Wilton Court, Station Road, Walkwood Rise, Burkes Road, Grove Road, Ronald Road and Wattleton Road, and provided residents with crime reduction advice. To continue to combat this we have been carrying out proactive operations which specifically floods rural and cross border areas of the LPA with proactive patrols during peak offending times. This has helped us to detect crime and apprehend cross border offenders who use arterial routes to enter our policing area and to protect residents living within South Buckinghamshire.

PCSO Dave Wenham and PCSO Dee Hawkes have been busy delivering letters in areas that previously have suffered burglaries at this time of year. Please think carefully to protect your properties so that you do not become a victim

- Cut back your shrubs and hedges to aid visibility
- Set timer switches to turn your lights on when away, and consider a 'fake TV'
- Avoid leaving valuables in plain view e.g. laptops and tablets
- Set any house alarms or else invest in one: a wireless unit can be acquired at a modest cost and requires very little effort to install
- Lock side gates to prevent access to the rear of your property
- Keep any bins, furniture, tools and ladders stored safely away and not readily

available

- Don't advertise that you are away and that your home is empty, by 'checking in' or posting your holiday snaps on social media, until you have returned home
- Consider security film for rear-facing glass doors and windows
- Don't leave windows open at the front of your property when you are in the garden

Take a look at Thames Valley Police Website for further crime prevention advice or contact your local Neighbourhood Team. At the time of writing, we are seeking to organise a crime prevention event alongside Buckinghamshire Council, to publicise opportunities to reduce your risk of burglary. Even a cursory internet search will provide numerous suggestions, at a modest cost.

Priority – Anti-Social Behaviour

We have seen a reduction of reports of ASB, drug use and graffiti around Malthouse Square and Holtspur Park, this is due to the large number of high visibility patrols that the team have been carrying out at this location. The team have also been working with the local schools to try to identify individual tags and raising awareness with students.

This quarter the team have had success in getting a derelict property in Burkes Road, Beaconsfield boarded up. This had become a local hotspot for local youths and we were getting reports of criminal damage occurring. The property was very unsafe and the team have worked with the owners to ensure that this is now secure.

Priority – Speeding

During October our Roads Policing officers have spent 15 hours conducting speed enforcement at various locations: out of ten site visits they identified 587 offences across South Buckinghamshire LPA. Our fixed cameras have identified 612 offenders.

Due to operations and other commitments the Neighbourhood team have been unable to carry out any speed enforcement this quarter. It remains a community priority, and we continue to look for opportunities to enhance the enforcement work, already conducted by our dedicated units.

In addition we have our Community Speed Watch scheme: this is a great opportunity for locals who wish to volunteer their time to monitor speeding, in areas highlighted for concern by fellow residents. If you are interested in helping out then please contact the team, your local Parish Council. or your local community board using the following hyperlink: [Community Boards | Buckinghamshire Council](#)

Other News

During November PC Mike Austin and PCSO Dee Hawkes were involved in a test purchasing operation within South Buckinghamshire as part of a knife crime awareness operation, with the help of 2 volunteer youths. Several shops passed with flying colours

but unfortunately 3 failed and were issued with community resolutions/formal advice for staff training and a referral to trading standards.

PCSO Vijay Desai completed Scam Events at the Nationwide Bank, and during October completed talks at The Beaconsfield School on educating Youths on the dangers of getting involved in County Lines including, how to safeguard each other.

Have Your Say Events

We have now started our Have Your Say events again so please keep an eye on our social media where we will advertise where we will be.

In addition to overcome gatherings we have identified areas for us to be present, visible and whilst completing our never-ending paperwork. We want the areas to be key points in each community where people are able to see us safely, varying times throughout the month and locations. Due to various reasons, on demand, operationally commitments and to prevent large gatherings we will not be publishing times and dates. however we wish to make the community aware of these locations and if you see a Police vehicle or officer at these locations, we are there for you to speak to us, please come and say hello and help us identify any concerns you have or any information, you may feel will assist us.
