Recommendations: Shareholder Committee Members are asked to comment on the draft Annual report ahead of its submission to the Cabinet meeting on 9 May 2023.

Executive summary

- 1.1 The role of the Committee is to ensure that the Council's companies and limited liability partnerships act in the interests of the Council as shareholder and that best practice is being adhered to in delivering statutory arrangements. In doing so, the Committee contributes to the proper governance of the Council's subsidiaries. This added level of governance is more important than ever, following a number of other local authorities experiencing difficulties. Understanding the risks associated with wholly or jointly owned companies is a key task of the Committee.
- 1.2 This is the first year of the Shareholder Committee and producing an annual report to reflect the work and outcomes achieved by the Committee over the past year is considered good practice.

- 1.4 The Committee has met four times during the 2022-23 period as well as attending a training session, along with Company Directors, setting out the roles and responsibilities that their roles and the key risk areas that they are required to be aware of. The Committee has focused on and undertaken a number of key pieces of work. This includes reviewing business plans and the financial positions of each company/joint venture as well as producing Conflicts of Interest guidance for Members and Officers and undertaking a review of Directors to ensure consistency across companies/joint ventures.
- 1.5 In addition to maintaining an oversight of key risks and governance issues, the Committee's priorities for 2023-24 include creating a pool of trained potential future directors, strengthening risk management arrangements of the companies and reviewing best practice / learning from other local authority companies.
