Dear All,

I am the licensing officer administering the application in respect to the above named premises. Thank you for making your comments in respect to the application.

I wished to notify you of some changes the applicant has made to the application as a result of the consultation process with the Responsible Authorities. The police and others have not objected to the application. However, Environmental Health have been in discussions with the applicant in respect to the licensing objective to prevent a public nuisance. As a result of those discussions with Env. Health I can confirm the following:

- The premises shall close at midnight Monday-Saturday and 23:00 hours Sunday
- The applicant has confirmed that Late Night Refreshment shall cease before the closure times and not 05:00 as specified on the application
- In conjunction with Env. Health and the Licensing team the applicant has agreed to the amended conditions attached going forward onto the licence. Note: It is a criminal offence not to comply with licence conditions and or day/times specified on a licence. Licensing officers have enforcement responsibilities to ensure all holders of a premises licence comply at all times with their authorisation terms

I am writing to all those that have made comment to ask if this new information addresses your concerns and if so can you confirm if you wish to withdraw your comments? Alternatively, if these comments are to remain then I shall arrange a public hearing in accordance with the legislation and associated regulations so that the Licensing Sub-Committee can convene to determine this application not the licensing officer. The procedure notes are attached for your information (Please refer to point 10)

If you have any further queries then please do not hesitate to contact me.

Regards,

Brian Whittall
