

Information Circulated After the Meeting

Tree Planting

- Suppliers confirm that all trees were supplied from UK nurseries.
- The maintenance costs (over the 10-year initial management period) for the tree planting sites planted under the contractor model were:
 - For the contracts entered into for the 21/22 planting season (Billet Field): £4.60 per tree.
 - For the contracts entered into for the 22/23 planting season (Bury Farm & Grange Farm): £3.41 per tree.
