

Winslow and Villages Community Board Update

With suggestions from engagement events in 2022, helped by the prioritree, our Priorities were set for 2023-24 as;

- **Environment**
- **Rural Economy Uplift**
- **Active Lifestyles**
- **Youth**

Our Proud of Bucks event took place on 16th May at the Bowls Club in Winslow. We were lucky that the sunshine came out so attendees could enjoy tea and cake in the garden.

We had stall holders including Greener Padbury, Fire Service, BBOWT and Trading Standards.

Huge congratulations to the highly commended and winners who were...

Rennies Cider were awarded as Highly Commended Community Group for their fundraising as well as create connections within the community as many of the apples come from Winslow residents

Winslow Wheelers were awarded the Community Group Winner for their fundraising efforts, encouraging road safety in cycling and welcoming all no matter what level or ability

Eve Atkins and Pauline Curtis were awarded as Highly Commended Community Champion as they challenged a flyer tipper during a horse ride. The events were caught on Pauline's helmet camera and led to the prosecution of the individual

Sue Sparling was awarded Community Champion Winner for organising / participating in three weekday group meetings in the village of Newton Longville. Her positive attitude and friendliness gives everyone a warm welcome, seeming to put everyone else's needs before her own. Sue helps people to come together to meet new or old friends, especially after the loneliness caused by the covid lock down. Boosting their wellbeing and their mental health

The Community Board will be attended the Winslow Show again this year. It was a brilliant day last year with some great engagements from local residents

Community Board
Winslow and
Villages

Winslow and Villages Community Board Environment Action Group

16TH JUNE

10:15 meet at Stewkley School - forest school
11:00 Stewkley Circular Walk
12:00 The Boot Inn for lunch
2:00 Stewkley Wildlife Reserve
3:30 Winslow Fishing Club lake (BYO picnic)

to winvill@buckinghamshire.gov.uk

The Environment Action Group met on the 16th June for a full day out on the patch. This group is open for all to attend.

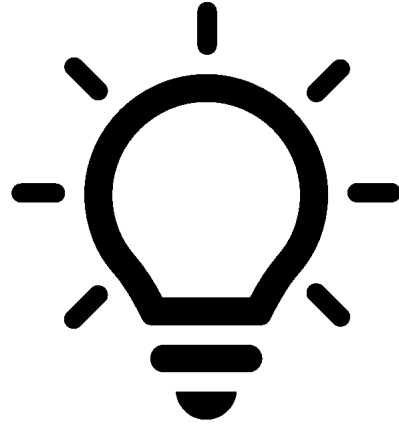

We are looking at hosting another one later in the year, any site suggestions are welcome.

The Winslow and Villages Community Board have a budget for 2023-24 of £103,029

A recommendation report from Dunton Parish Meeting for play equipment was recently circulated for decision. The Board can now formally agree this application. This takes the remaining budget to £95, 529

The aim is for projects to be developed through the boards to meet one or more of the Priorities. Full funding criteria can be found online [Apply for Community Board project funding | Buckinghamshire Council](#)

If you think you have a project that meets the funding criteria, please do not hesitate to get in touch with me to discuss further

Suggestion Box

If you have any suggestions for future agenda items, guest speakers or something you think the Community Board should be looking into then please do put a suggestion in the box
