### Share your views and help us keep Buckinghamshire safe

The Safer Buckinghamshire Board is a local Community Safety Partnership that brings together experts from the police, fire service, probation, health and social care services. The board develops an annual action plan to reduce crime and anti-social behaviour in Buckinghamshire and help keep it a safe place to live and work.

To help develop this plan, we want to hear from local residents to understand:

- the impact of crime and anti-social behaviour in their local area
- their experience of reporting crimes
- how safe or unsafe they feel in Buckinghamshire

<u>The survey</u> is open to anyone living, working and/or studying in Buckinghamshire and will be open from 11 September until 29 October.

The results of the survey will be combined with an analysis of all crimes that happen in the county to help develop partnership activities for the following year.

Residents can complete the survey on <u>Your Voice Bucks</u> and enter into our prize draw to win one of three £100 leisure youchers\*.

A communications toolkit including newsletter copy, social media copy/graphics and a digital poster will be provided before the survey launches so you can share with your local communities.

# Local Plan – progress and next steps

The Local Plan for Buckinghamshire (LP4B) provides a major opportunity to shape the growth of Buckinghamshire over the next 15 years and beyond. It will identify areas for new housing and employment, while also designating areas for protection and enhancement, such as our valued landscapes, natural habitats and heritage.

Earlier this year we carried out a public engagement survey on the draft vision and objectives for the LP4B. We received about 700 responses to the Local Plan for Buckinghamshire Vision and Objectives which we are in the process of analysing and considering.

We have now published an <u>interactive map and basic details</u> of the 1,000 or so sites which were submitted in response to our two Calls for Brownfield Sites and our Wider Call for Sites. We are assessing these sites for their suitability, availability and achievability

(including viability) to accommodate development. This work will help us to shape the first Buckinghamshire Housing and Economic Land Availability Assessment (HELAA).

Our next local plan public engagement work is likely to take place in early 2024, subject to Cabinet approval. This will be on possible high-level growth scenarios for the spatial distribution of new development to meet assessed levels of housing and employment need.

## **Cost of Living update**

### **Community Food Chain Campaign**

The Helping Hand team has recently launched the Community Food Chain Campaign which aims to increase public food bank donations and raise awareness of volunteering opportunities available at local food support organisations. You can find out more here – <a href="https://www.buckinghamshire.gov.uk/campaign/community-food-chain/">https://www.buckinghamshire.gov.uk/campaign/community-food-chain/</a>

If you would be interested in finding out how you can support this campaign please contact Hannah Tomlin, Food Lead Co-ordinator, Helping Hand Team – hannah.tomlin@buckinghamshire.gov.uk

#### **Welcoming Spaces**

There are locations throughout the county, including Buckinghamshire libraries and community venues such as churches and halls, that have continued to offer a Welcoming Space to residents throughout the summer months.

Now that we are moving into autumn we are looking at ways in which Welcoming Spaces can again offer residents warm and friendly places to go and meet with others this coming winter. More information on resources and guidance for setting up a Welcoming Space will be available shortly.

If you have any queries in the meantime please contact Laura Davies, Operations Manager, <a href="mailto:laura.davies@buckinghamshire.gov.uk">laura.davies@buckinghamshire.gov.uk</a>

### **Revenues and Benefits**

Council tax collection remains on target despite obvious pressures in the community and as a result additional funding is being made available to the discretionary housing payment fund to support residents who may have one-off difficulties preventing them paying their rent.

## Have your say on council spending

Our budget consultation is now open and residents and organisations throughout Buckinghamshire are invited to take part.

As with councils across the country, our budgets are under immense pressure, particularly with more and more people needing social care. As a result, some difficult decisions will have to be made.

So it's essential that residents and organisations have their say on where their council tax is spent. The survey is at <a href="buckinghamshire.gov.uk/money-matters-consultation">buckinghamshire.gov.uk/money-matters-consultation</a>. We would also really appreciate your support in sharing this message with people and organisations throughout all our local communities.

The consultation closes at 11.59pm on Sunday 15 October.
