**BUCKINGHAMSHIRE COUNCIL as the Licensing Authority for the Premises**

**RESOLVED TO TAKE NO FURTHER ACTION**

#### **SCHEDULE 1**

**Mandatory Conditions contained on an existing Premises Licence**

#### **SCHEDULE 2**

#### **SCHEDULE 3**

#### **Reasons for the Panel's Decision**

In reaching their decision the Panel carefully considered the written representations from the Applicant, Parties who made Relevant Representations and the Premises Licence Holder together with oral submissions made at the hearing.

In making their decision, the Panel also took into account the legislation, the relevant parts of the statutory guidance and the Council's own licensing policy as set out in the report from the Licensing Officer.

The Panel also took into account the relevant provisions of the Human Rights Act 1998, namely:

- Article 6 – the right to a fair hearing
- Article 8 – respect for private and family life
- Article 1, First Protocol – peaceful enjoyment of possessions.

The Panel did not take account of issues raised in the application relating to the disputed ownership of the access road or issues relating to planning matters which were not relevant to the licensing objectives of the prevention of public nuisance, the prevention of crime and disorder, public safety and the protection of children from harm.

The Panel noted that concerns raised by the Applicant regarding events held at the premises, namely Bury Farm Festival (15-16 July 2023) and Fields of Thunder (21-23 July 2023) in relation to the licensing objective of public nuisance arising from the late rerouting of traffic and noise disturbance. However, the Panel noted that officers from the Environmental Health Protection Team and the Licensing Authority, who had attended the premises during these events found no evidence of breach of the licence conditions. In addition, the Panel noted that these concerns were addressed at a meeting of the Safety Advisory Group (SAG) on 30<sup>th</sup> August 2023 which representatives from the premises licence holder attended and the outcome of which was reported to the Applicant and the Premises Licence Holder.

The Panel noted the representations from a Person who made Relevant Representations regarding the imposition of further conditions on the licence but felt that these were matters which could be addressed as part of the current premises licence condition relating to the contents of the Event Management Plan.

The Panel considered that in all the circumstances, the existing conditions were sufficient to promote the licensing objectives of the prevention of public nuisance, the prevention of crime and disorder, public safety and the protection of children from harm.

Any Party aggrieved by the Decision given in this Notice may make a written Appeal within 21 days to the Clerk to the Justices, Wycombe and Beaconsfield Magistrates Court, Milton Keynes Magistrates Court, 301 Silbury Boulevard, Milton Keynes, Buckinghamshire MK9 2AJ.
