VARIATION

Do you want the proposed
variation to have effect as
soon as possible? Yes No

Do you want the proposed variation to have effect in relation to the
introduction of the late night levy?

Yes No

You do not have to pay a fee if the only
purpose of the variation for which you are
applying is to avoid becoming liable to the
late night levy.

If your proposed variation
would mean that 5,000 or
more people are expected to
attend the premises at any
one time, state the number
expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

This is the second application for a full variation of this venue.

The venue still remains under the control of the same company and Mr Seker remains director and in overall control. The venue seeks to operate as a restaurant and lounge bar.

The ground floor will essentially operate as it has done in the past as a restaurant, the first floor a member only restaurant and lounge.

This is not and never will be a night club as was feared in the past, conditioning stating that the level of music played within the venue will NOT go beyond that of background music cements this.

Further future proofing of the venue exists with the condition stating that access to the first floor of the venue is strictly limited to members and their guests only.

The style of operation they wish to embark on now is more controlled than previously, we feel the SIA provision reflects this. previously there was no requirement for SIA, essentially that remains the same. But the style of venue they wish to portray in the first floor now leans itself towards door staff not as crowd control but as a form of concierge, greeting and assisting customers and members.

The reasoning for 'when the venue is operating after 0100 hours' enables the venue to close early without having to employ SIA every day as there may be occasions in the future where they do not utilise their full hours – as they did previously. That said however, SIA will be employed on a regular basis for the initial reason stated.

It is felt that the offered conditions do take into account previous concerns, future proofs the venue and ensures that that venue remains as it was previously, without complaint.
