REF: Platinum Way Improvements Scheme - Picasso Place

Dear Resident,

Statutory Consultation for the implementation of Traffic Calming Features (Road Hump / Raised Table) on Picasso Place, Aylesbury where the Platinum Way Cycleway meets the road carriageway.

Buckinghamshire Highways are proposing to introduce a raised table crossing on Picasso Place, Aylesbury. This raised crossing is to improve road safety by slowing vehicle speeds and to enhance the safety of pedestrians, cyclists and others who use the cycleway.

Please refer to the attached layout plan for the proposed consultation details of the raised crossing scheme, including the location details and additional information proposed for the cul-de-sac improvements on the cycle route.
