

Cabinet Member Priorities 2020-21

Councillor Angela Macpherson

Deputy Leader and Cabinet Member for Adult Social Care

Key priority for 2020-21

Delivering the Better Lives Strategy by working with the market to reshape commissioned services, delivery of the transformation programme, and focusing on quality of practice.

Delivering the priority

The Better Lives Strategy:

- Reframing our support offer
- Promoting independence and reducing dependence

Delivering the priority

Working with the market to reshape commissioned services:

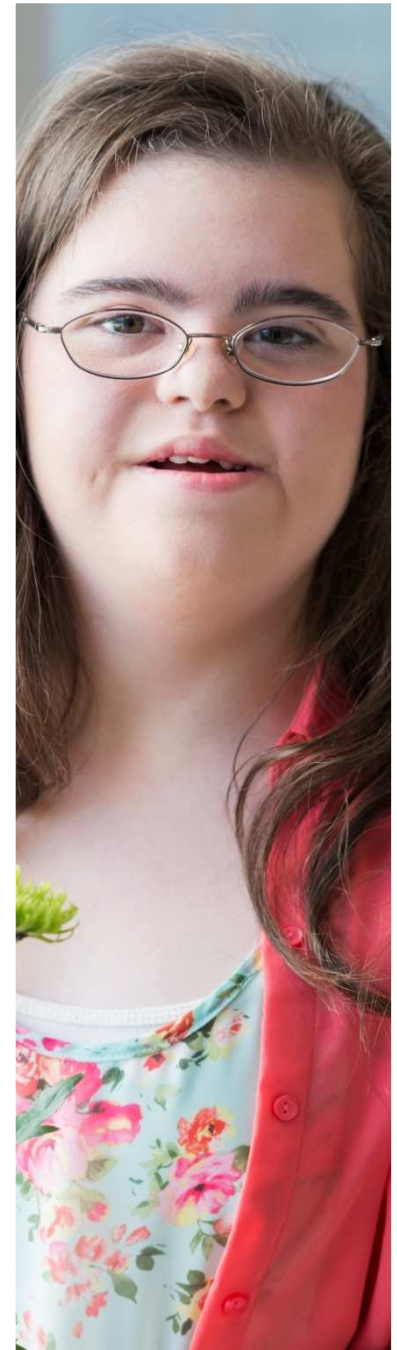

- Support for people with learning disabilities
- Working with providers to change the services
- Continuing our changed approach to short break provision

Delivering the priority

Delivery of our transformation programme:

- Delivering a range of transformational projects particularly:
 - A 0-25 service to improve transitions
 - A health and social care reablement offer
- Delivering the MTFP savings (£2.01m)

Delivering the priority

Quality of practice

- Highest quality social care practice
- Investing in staff
- Improving systems and processes
