Continued from previous page...

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Licensing objectives and their compliance will be added to the commercial risk assessment. The steps listed below will be regularly checked by the commercial team to ensure that licensing objectives are met. Those checks and their findings will be logged in our minuted meetings as a record. This will include details of any remedial action where required. Reporting to the trustee board will take place where any breaches are identified in order to maintain governance and assist in compliance with charity commission rules.

b) The prevention of crime and disorder

Door supervisors

There is no expectation to employ door supervisors other than in extraordinary circumstances

If required they would be registered with the Security Industries Authority, visible and recognisable to the public, aware of the maximum capacity of the premises and ensure that this number is not exceeded.

Bottles and glasses

No glasses or opened bottles will be permitted from leaving the premises, empty glasses and bottles will be regularly collected from tables and outside areas.

Drink and drugs

We actively promote responsible drinking and do not expect to be implementing any drink promotions that would encourage binge drinking. Drunkenness and anti-social behavior will not be accepted on the premises. Should anyone be observed using or in possession of drugs they will be asked to leave immediately.

Any evidence of the sale of drugs on the premises will be immediately reported to the local police authority.

Members & guests will be reminded not to leave valuables in their vehicle and we will be happy to look after them inside the building during their visit but will hold no responsibility for loss or damage of any possessions on the premises.

Safety certificates

All Health and Safety certificates will be up to date and the business will be fully compliant with all legal requirements.

Insurances

Risk assessments will be undertaken and requested from contractors/suppliers where applicable.

d) The prevention of public nuisance

Prevention of nuisance

This is a member's sports club,. Members and guests will be reminded to consider our neighbours when leaving. Music is not normally played and when it is, it will be at a suitable level until a socially acceptable time.

Excessive operative noise will be limited to respectable times e.g. bottle bins will not be emptied after dark.

Outside trade areas are of a good distance from residential property and established trees between dampen conversational noise.

External lighting will be used with great consideration to our neighbours and only on during trading hours.

Refuse will be held in metal bins with lids and emptied into the trade waste bins at regular intervals to prevent unpleasant odours and improve pest control.

e) The protection of children from harm

Under 18's will be very welcome on the premises whilst accompanying an adult.

Each sport section has a safeguarding responsibility in addition to our own.

We will operate an 'under 21' proof of age policy where only a driving license, passport or 'PASS' card is accepted as proof of age. Staff selling alcohol will be trained in their legal responsibility in ensuring under 18s are not supplied with alcohol (from any source) on the premises. Cigarettes are not sold on our premises.
