- Layout was good. Facilities were also very good. Lovely venue
- The hall layout was excellent. Walking through the doors, you could immediately see the wide range of services. Facilities were fantastic with convenient parking and being in such a close proximity to Burnham high street.
- Room was lovely, spacious and great layout, refreshment provided which was unexpected bonus
- first come first served - thank fully i was early enough to get a place with a power point which was required. i was disappointed that partners did not stay until the end as the event was advertised from 1100 -1600 hrs. We were one of two that stayed until 1530 hrs! It might be better to have a shorter event 1030 - 1430 hrs or an evening 1600 - 1900 hrs
