**REF:** Coates Lane, High Wycombe – Verge parking restrictions

Dear Resident,

### **Statutory Consultation for the implementation of verge parking restrictions and amendments to existing waiting restrictions on Coates Lane, High Wycombe.**

Buckinghamshire Highways are proposing to introduce 'no verge parking' restrictions on Coates Lane between Disraeli Crescent and Wyndham Avenue. This would restrict verge parking on the east side of the road, preventing damage to grass verge, while also providing a traffic calming measure as vehicles would have to park fully on the carriageway. A short 15 metre length of double yellow lines is proposed in the centre of this section to provide space to allow opposing vehicles to pass.

In addition to restricting verge parking, further double yellow line restrictions are proposed from Disraeli Crescent eastwards to the existing double yellow lines at Tancred Road. These restrictions would prevent vehicles parking around the bend and detrimentally affecting visibility.

Double yellow lines are also proposed on Disraeli Crescent and Wyndham Avenue junctions with Coates Lane preventing vehicles from parking there. To provide some parking spaces – and a traffic calming measure when occupied – a short length of existing double yellow lines will be removed from Coates Lane near the Hughenden Park playground.

Please refer to the attached layout plan showing the location and extent of proposed works.

#### **What happens next?**

We will develop the proposals based on what residents within the area tell us. If the feedback shows people support the proposals, we will begin the process of designing and implementing the parking/waiting restriction and will write to you again to confirm the proposal. This project web page: <https://yourvoicebucks.citizenspace.com/roads-parking/a40highstreetwestwycombe> will keep you updated about the outcome of the consultation.

Yours faithfully,  
Raja Khan
