

1. Introduction

- 1.1 This is the governance compliance statement which sets out the Council's arrangements (in its capacity as administering authority of the Buckinghamshire Pension Fund), for discharging its responsibilities in accordance with the Local Government Pension Scheme (LGPS) Regulations 2013.
- 1.2 Regulation 55 of the LGPS Regulations 2013 requires an administering authority to prepare and publish a governance compliance statement. It should cover whether the administering authority delegates its functions in relation to the pension fund to a committee, a sub-committee or an officer of the council; and where this is the case, details of:
 - the terms, structure and operational procedures of the delegation
 - the frequency of any committee or sub-committee meetings
 - whether such a committee or sub-committee includes representatives of Scheme employers or members, and if so, whether those representatives have voting rights;
 - the extent to which a delegation, or the absence of a delegation, complies with guidance given by the Secretary of State and, to the extent that it does not so comply, the reasons for not complying; and
 - details of the terms, structure and operational procedures relating to the local pension board.

Additionally, an administering authority discretions document has been developed stating those discretions found within the scheme that it has adopted. All documentation is published at <https://www.buckinghamshire.gov.uk/your-council/local-government-pension-scheme/>
- 3.6 The Pension Administration Strategy is an important tool in managing and improving the administrative performance of the Fund. It formally sets out the requirements of both Buckinghamshire Council as the administering authority and participating employers/third party payroll providers in the Fund in a single document within one framework. A formal review is undertaken every three years.

- 6.2 The Pension Fund is regularly audited, and no material findings have arisen from either our internal or external auditors.
- 6.3 The Council recognises the importance of ensuring that all staff and members charged with the financial administration and decision-making with regard to the pension scheme are fully equipped with the knowledge and skills to discharge the duties and responsibilities allocated to them.

It therefore seeks to utilise individuals who are both capable and experienced and it will provide/arrange training for staff and members of the pension fund's decision-making bodies to enable them to acquire and maintain an appropriate level of expertise, knowledge and skills.

- 6.4 The Regulations require a statement as to the extent to which the governance arrangements comply with guidance issued by the Secretary of State. This statement is confirming that all the above mentioned mechanisms are in place and are effective and embedded. Any breach will be reported to the Chairman of the Pension Fund Committee. A summary of our compliance with recommended good practice is outlined below.
