The Shadow Authority Constitution defines a ‘key’ decision as any decision taken in relation to a function that is the responsibility of the Shadow Executive and which is likely to:-

- (a) to result in the relevant local authority incurring expenditure which is, or the making of savings which are, significant having regard to the relevant local authority’s budget for the service or function to which the decision relates; or
- (b) to be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the relevant local authority.”

In determining the meaning of “significant” for these purposes the Shadow Authority will have regard to any guidance for the time being issued by the Secretary of State in accordance with section 9Q of the Local Government Act 2000 Act and the value of any decision under consideration (e.g. £1 million or above could be regarded as significant but this has to be considered in the context of the particular decision).

As a matter of good practice, this notice may also include other items, in addition to key decisions, that are to be considered by the Shadow Executive.

Each item considered will have a report; appendices will be included (as appropriate). Regulation 9(1g) allows that other documents relevant to the item may be submitted to the decision-maker. Subject to prohibition or restriction on their disclosure, this information will be published on the website usually 5 working-days before the date of the meeting. Paper copies may be requested using the contact details below.

\*The public can be excluded for an item of business on the grounds that it involves the likely disclosure of exempt information as defined in Part I of Schedule 12A of the Local Government Act 1972. The relevant paragraph numbers and descriptions are as follows:

Paragraph 1	Information relating to any individual
Paragraph 2	Information which is likely to reveal the identity of an individual
Paragraph 3	Information relating to the financial or business affairs of any particular person (including the authority holding that information)
Paragraph 4	Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority
Paragraph 5	Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings
Paragraph 6	Information which reveals that the authority proposes: (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or (b) to make an order or direction under any enactment
Paragraph 7	Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime

Part II of Schedule 12A of the Local Government Act 1972 requires that information falling into paragraphs 1 - 7 above is exempt information if and so long, as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Nothing in the Regulations authorises or requires a local authority to disclose to the public or make available for public inspection any document or part of a document if, in the opinion of the proper officer, that document or part of a document contains or may contain confidential information. Should you wish to make any representations in relation to any of the items being considered in private, you can do so – in writing – using the contact details below.
